Dear Judge Geraci:

This letter is to request an extension of the current Scheduling Order for the above-referenced matter. The parties respectfully request that the remaining deadlines pertaining to overall discovery and dispositive motions be modified. The parties have engaged in mediation and served written discovery and are requesting an extension of time to allow for depositions and the remaining written discovery. I have spoken with opposing counsel and they are in agreement with said request. Therefore, it is respectfully requested that the Court modify the overall discovery deadline to November 8, 2016.

Thank you for your consideration.
